

A Burden of Choice: A Circle of Roses Novel

Amelia liked Lee, liked the way he handled himself with Rod the High School football teams captain who kept paying unwanted attention towards her. If she had a chance she would let him hold her in a long embrace. But when she participated in a dare to support her best friend Danas involvement with a boy she liked things changed. If she had known that she would be possessed with a supernatural power she would have stayed home. Now she is faced with a choice of keeping it or ridding herself of the power. If she makes the wrong choice it could mean her death at the hands of Lee or being used by a group of people who want to control the world
