

# Aasimar & Tiefling: A Guidebook To The Planetouched (Races of Renown)

Your Planar Adventures Begin Now! The latest book in the critically acclaimed Races of Renown series fully details aasimar and tieflings, as well as half-fiends, half-celestials, and many of their cousin races. If youve been looking for an easy way to integrate planar elements into your campaign, look no further. Aasimar & Tiefling is your one stop shop for planar adventuring, and includes: Seven new planetouched races, including the jinx, nergaz, and silvan. A complete rules system for creating your own planetouched races. Full PC write-ups for cambions and nephilim. Dozens of ancestry feats, which allow planetouched characters to gain some of the spell-like, supernatural, and extraordinary abilities of full-blooded outsiders. A bevy of planar prestige classes (such as the Astral Reaver, Planomancer, Warrior Maiden of the Valkyrie, and Xen Chi Mystic) that includes Epic-level progressions. Dozens of new spells, including adaptation, magma burst, and SharaAs scornful subjugation. New magic items, like the staff of chaos, planar chronometer, and chime of dismissal. Planar perils, a collection of new monsters like the chaos horror, fundamental gel, and organ thief. Bursting with new rules and options, Aasimar & Tiefling gives you all the tools needed to build and play planetouched characters and to take your campaign to the planes.
