

Azuri Fae (Caledonia Fae, Book 2)

Book 2 in the Caledonia Fae urban fantasy series. A faerie prince disappears in the borderlands, and his father enlists the help of outcast Eilidh and her bonded druid, Quinton Munro. Tantalised with hints of a lost and ancient magic, they learn that time is working against them every step of the way. Is the prince's disappearance related to the vanishing of an entire Scottish village? Faced with deception, assassination attempts, and a mad queen who would sacrifice her own child to keep a dreaded secret, Eilidh struggles with an impossible situation. Her people demand she commit treason and betray the man she loves. Will she do what duty requires, or throw away the chance to reunite the kingdom in exchange for the life she hadn't dared hope for?
