

The Littlest Harpist/La Plus Petite Harpiste (French Edition)

LA PETITE HARPISTE is a French translation of a charming autobiography of a little girl who desired a harp so badly that she prayed daily for her parents to buy her one. What transpired after is an interesting tale of Melody Anglin's possession of a harp and finally of her favorite golden harp with its interesting history of what happened. The beauty of what she has done with it is a truly uplifting tale of inspiration and of dreams coming true.
