

Vegan in 30 Days: Get Healthy. Save the World.

If you want to.... lose weight prevent or reverse disease have tons of energy end unethical animal husbandry drastically reduce your carbon footprint on the earth... then a vegan diet is right for you. Vegan in 30 Days will make sure that you reach your goal of becoming vegan in a healthful, fun, and successful way. Filled with incredible insight and dozens of practical tips, this book is a complete resource for making the transition to a vegan diet. Included are over a dozen starter recipes of flavorful, easy-to-make dishes. Weekly assignments keep you actively involved in the process and lists of resources help keep you motivated. Guidelines for social engagements, i.e. hosting or attending a dinner party or eating out in restaurants, show how to make others aware of your diet without offending them and their dietary preferences. Emphasis is placed on wholesome, unprocessed foods. This is not a book for junk food vegans. Also included are simple cleanses to help remove toxins from your body and reduce cravings. This transition can be complete in 30 days or each phase can take 30 days ~whatever is the most comfortable for you. The end result is that you'll feel healthier and feel good about your impact on the planet. All the while discovering and enjoying a satisfying and delicious variety of food.
