

## El Ingenioso Hidalgo Don Quixote de La Mancha (Classic Reprint)

Excerpt from El Ingenioso Hidalgo Don Quixote De La Mancha Having given his horse a name so much to his satisfaction, he resolved to fix upon one for himself. This consideration employed him eight more days, when at length he determined to call himself Don Quixote; whence some of the historians of this most true history have concluded that his name was certainly Quixada, and not Quesada, as others would have it. Then recollecting that the valorous Amadis, not content with the simple appellation of Amadis, added thereto the name of his kingdom and native country, in order to render it famous, styling himself Amadis de Gaul; so he, like a good knight, also added the name of his province, and called himself Don Quixote de la Mancha whereby, in his opinion, he fully reclaimed his lineage and country, which, at the same time, he honoured by taxing its name.
