

Deadmans Tide (Grimwold and Lethos Book 1)

An ancient hatred divides the warlike people of Valahur and Avadur. Their war chiefs visit death and destruction upon each other and the rest of the world, neither side prevailing in the constant struggle. Now High Kings have arisen on both sides and they sharpen their swords for war. Grimwold of Valahur carries the burden of a bloody past. His young sister depends upon him for everything. Yet Grimwold is dying. He was born to powerful magic unlike any other man. Where it had once led to greatness, it now leads him only to doom. His lifeblood flows away with his power. Another man from a distant land, driven by visions and madness, travels toward Grimwold. A great destiny will soon be fulfilled. Here is the thrilling first book in a new fantasy adventure series. Join Grimwold as he discovers his place in a world filled with strange magic and dark secrets. Fight with him as he unleashes the full potential of his power, the deadmans tide.
