Abbe Jerome Coignard were preserved for us by his naive disciple, Jacques Tournebroche. Our good Master, Anatole France, is not without a certain intellectual relationship with the Abbe Jerome Coignard. He converses with every bit as much charm. It would be a great pity if his learned and substantial remarks were for ever lost. A nother Tournebroche, it was our good fortune of yore to listen to them, at those morning gatherings at the Villa Said which were, before the War, the most brilliant entertainments of the mind. Scholars, artists, politicians, Spanish anarchists and Russian nihilists were received at that residence. The host, in his keen desire to know the most varied specimens of humanity, welcomed them all with affectionate courtesy.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
