

## House of Ravens (The Nightfall Chronicles) (Volume 2)

USA TODAY bestselling author Karpov Kinrade defied genre convention with Court of Nightfall. Now, they continue the epic saga of Scarlett Night, a rebel torn between two identities, in House of Ravens. You think you know the path to victory? Then tell me how you'll win. Will you buy triumph with gold and favors? Will you marshal armies and trade in blood? Or will you be the hand in the dark, your fingers on the strings? Whatever you decide, know this. If you put the innocent at risk... You will answer to me. I am the keeper of secrets and the teller of lies. I am the shadow of death and the bringer of light. I will become a Knight of the First. And the Orders will crumble.
