

Illegal (The Hayling Cycle Book 2)

If Jemma had lived, none of this would have happened. Id have been too busy to get dragged into this filthy, illegal business... Since Lindys baby sister died, her family have been caught in a downward spiral. Her brothers are in prison and her parents have given up. Soon Lindy is out of her depth too, caught in the centre of an international drugs ring, with no way out. Then Lindy finds help from an unexpected ally: weird, mute Karl from school, and together they plan a daring and desperate escape. But when youre in this deep, can you ever be free? Touching, surprising and painfully honest, *Illegal* is the second in a cycle of three novels by Miriam Halahmy, and the follow up to her acclaimed first novel, *Hidden*.
