

The House of Grey- Volume 5

Fantasy, friendship, and fate await you in Collin Earls The House of Grey, based on the popular audio fiction by the same name. 14-year-old Monson Grey faces the same challenges that any freshman high school kid would: difficult classes, weird teachers, food fights, girls. Except, Monson Grey is not Monson Grey. At least, when he looks at himself in the mirror, the scarred face staring back is not someone he recognizes. Now he finds himself attending an extraordinary school, the recipient of an incredible scholarship, among ridiculously rich classmates, all with no memory of how he got there or what to expect. All he has from his former life are the flashes of haunting images that plague his dreams and the echoing voices that he hears, but cannot see. Luckily, Monson finds fast friendship in two of his classmates, Casey and Artorius. Little does Monson know, they too carry their own skeletons. Yet, as bizarre events start to unfold around them, Monson wonders what secrets lay buried in his mind or if he will ever be able to share his true fears with his newfound friends. Join our three heroes as they roam the halls of the most prestigious high school in the country, finding love, mystery, and answers to their algebra homework- all while peeling away the layers of Monson's shadowy past. Authors Note: The House of Grey was originally a serialized audio fiction. The Volume system begins the written adaptation of that story. Individual volumes do not contain the complete story. The Volumes contain 50,000 to 70,000 word chunks and are divided into ARCS. (ARC ONE, the Coren University Arc, consists of Volumes 1 through 6 and corresponds to the original podcast fiction) Each ARC will be available for a reduced price in an omnibus format. Original material for the continuation of the story starts in Volume 7
