

Kiss of Death: A Paranormal Romance Book (Young Adult Mystery Romance)

Laura OHara is a young, rebellious 17 year old, whose parents force a move upon her junior year in high school from New York. Laura, feeling frustrated and misunderstood by her parents, spends most of her time researching the history of the places in which she's lived, divulging herself into the information of the ghosts that have filled her towns in the past. When Laura meets a boy her age with a similar history, she feels accepted and assured that this life she leads is one worth it. His compelling green eyes speak to her, and together they form a bond that is unperishable through life. Or death. A story about true romance and what it means to love someone unconditionally, Laura and Ian explore their innocence and lives together, their paths coming together to form their own unique and death defying journey.
