The Bite of Minds Tondbert and Isabelle have found the cutest, most adorable little creatures out in the forest. They're fluffy, harmless little bundles of fuzz. So why do people and livestock back in Bytarend keep turning up dead? The Bite of Death Lila Deadwhisper is an assassin. Trained from the age of four, she costs a king's ransom to hire for a reason. She never fails, and she just got a new contract to assassinate Tondbert Payne. The Bite of Forest Dark Jenni Styrn is staring down at a town with a dark shadow over it.
