

Scared Stiff (Mattie Winston Mysteries)

An appealing series on multiple fronts. -BooklistShows skill at mixing humor with CSI-style crime. -Publishers WeeklyWhen Deputy Coroner Mattie Winston and her boss/best friend, Izzy, are called to the home of waitress and part-time model Shannon Tolliver, they find the ghoulish Halloween decorations a bit too authentic. Among the fake blood and skeletons is the corpse of Shannon herself. Since the whole town knows Shannon recently had a very public spat with her estranged husband, Erik, hes suspect #1. But Mattie happens to know Erik truly loved his wife, and is simply incapable of the brutal act-even if he owns the exact same caliber handgun as the murder weapon. . .Determined to unearth the truth, Mattie puts her scalpel-sharp medical skills to work, and digs a little deeper. What she uncovers is stranger than anyone could have imagined. . .Praise for Annelise Ryan and Working StiffHas it all: suspense, laughter, a spicy dash of romance. . . -Tess GerritsenSassy, sexy, and suspenseful. . .wry and original. -Carolyn HartMake way for Mattie Winston, the funniest deputy coroner to cut up a corpse since, well, ever. -Laura Levine
