

Looking at Art ABC: Alphabet

Looking At Art ABC, 123, and Colours is a delightful series of books that encourages children from 2 to 6 to look at art. The books feature wondrous paintings from the famous collection of the Musee dOrsay in Paris, including works by Vincent van Gogh, Paul Gauguin, Paul Cezanne, George Seurat, Pierre Bonnard, Claude Monet, Maurice Denis, Henri de Toulouse-Lautrec, and Edouard Vuillard. They also include poems to help children look closely at the paintings and are designed to be read to children or for children to read themselves.
