

Hold My Hand and Run

When the beatings she receives from cruel Aunt Latimer get worse, Kazy decides to run away from home and take her little sister, Beth, with her. Although the country roads of seventeenth-century England are full of obvious and hidden dangers for two young girls, she has no choice--Beth has become a frightened shadow of her lively self. Kazy is determined to save her. The girls travel for a time with seemingly kind tinkers who soon betray them in exchange for reward money. Quick-thinking Kazy has the courage to keep going, but when Beth becomes seriously ill, Kazy faces disaster. She is desperate to do the right thing. But once youve run away, its impossible to go back...isnt it?Margaret McAllister has created a thrilling tale that combines the suspense of *The Perilous Gard* with the kind of historical adventure loved by readers of *The Midwives Apprentice*. Filled with narrow escapes, hardships, and discomforts, this book also celebrates the joy of independence, the unexpected kindness of strangers, and the deep satisfaction that comes from relying on oneself.

With a little peace and some harmony. Well take the world together. Well take them by the hand Cause Ive got a hand for you, oh Cause I wanna run with you - 4 min - Uploaded by Emily HackettA compilation of wedding footage collected and edited to compliment the song Take My Hand - 4 min - Uploaded by Atlantic Records2005 WMG Hold My Hand (Video Version) Hootie And The Blowfish - Hold My Hand (Video Take My Hand and Run by Romantic States, released 11 January 2016 1.
