This edition of Tales from the Canyons of the Damned consists of three stand alone short stories. Two from Daniel Arthur Smith and one from Bob Williams. In the first story TESLA performs an experiment to prove he can provide electric WI FI to the world. In the BLUE ORB we learn the result of that century old Shoreham test. Then a BONUS story from Bob Williams. Looking to get in out of a brutally cold night Daniel enters the club SMOKE. What he discovers within will force him to make his greatest decision.
