

The Ages of Iron Man: Essays on the Armored Avenger in Changing Times

Billionaire industrialist, cold warrior, weapons designer, alcoholic, philanthropist, Avenger--Tony Stark, alter-ego of Marvel Comics Iron Man, has played many roles in his five decades as a superhero. From his 1963 comics debut in Tales of Suspense to the recent film adaptations--The Avengers(2012), Iron Man 3(2013)--hundreds of creators have had a hand in writing the character with evolving depictions and distinct artistic styles. This collection of essays provides an historical overview of an important figure in American popular culture and a close reading of Iron Mans most iconic story lines, including his origin in Vietnam, Demon in a Bottle, Civil War, and Extremis.
