

The Usborne Book of Makeup (Usborne Fashion Guides)

This top-to-toe beauty guide includes help needed by any 12-year-old who is starting to wear make-up. The skills for basic beauty routine, including cleansing, preparing and applying make-up, are introduced and explained, and there are tips and hints, including simple recipes for facepacks, scrubs and hair treatments that can be made at home. In addition to face make-up the book includes advice on manicures and hair styles, as well as a guide to an all-over body pampering session. Charts and tests are included which can be used to determine skin type and colouring in order to adapt a personal beauty routine.
