

A Minor Magic: Born of Fire - Book 1 (Volume 1)

Over the course of a single night, mystical fires tore through the sky and reduced most of Earth to ash. Ten years later magical fire burns again, but this time its in the hands of a young girl named Skylar. Exiled from her adoptive home, Skylar must now struggle through ruined lands and religious zealots who believe shes an agent of the Devil. An even greater threat exists in the form of shadowy sorcerers from another world who covet her blood. Along her journey, she meets a motley band of outcasts who not only know the secret of what happened to Earth, but also of Skylars true origin. Will Skylar be able to accept this fantastical truth? But more importantly, can her powers and raging heart be tamed in time to stop those who once burned the world and now seek total domination?
