

Wild Orchids

Prim mid-western schoolteacher Lora Harding is in for the summer vacation of her life when darkly handsome American Max Maxwell slides into her rented car in steamy Cancun, Mexico and orders her to drive at gunpoint. Max and his men break Americans out of Mexican jails for a living, but his latest job has gone horribly wrong and Max is on the run for his life. Kidnapping Lora, Max takes her on a heart-stopping adventure as he races to rejoin his men and get out of the country before the authorities can catch up to him. Feisty Lora fights him every step of the way, and in the midst of saving each others lives the two fall madly in love in this blistering novel of romantic suspense by the mistress of sizzling sensuality (Romantic Times). Chicago Tribune About the Author: Ever since I was a little girl, Ive loved to write. My first book was a ten-page effort written at age five for my grandmother. Throughout grade school, high school and college I wrote for various school publications. When I was eighteen, my first professionally published piece a humorous anecdote appeared in Readers Digest. Still, it never occurred to me that I might become a professional writer. I aimed for a career as a lawyer and was actually in law school when I sold my first book. When

that happened, the world lost a would-be lawyer and gained a writer. That book, which is still in print, is *Island Flame*, and it was published when I was twenty-four. Since then, I've written over forty books, which regularly appear on the New York Times, USA Today, and Publishers Weekly bestseller lists, among others. The mother of three sons, I read, I write, and I chauffeur children. That's my life.
